FROM CALIFORNIA—The Iris purchased from you are absolutely WONDERFUL and the envy of my friends. They have outshone all previous efforts, so far as I know, of any Iris ever grown in California.

FROM CONNECTICUT—I have had many compliments on the beauty of my Iris. Many people did not know that such beautiful types existed. I want to thank you for the pleasure I had from them myself.

I believe I will have enough of all varieties listed to fill all orders, but if the demand should be greater than I anticipate, I reserve the right to substitute equally good, or better, varieties for any Iris of which the stock may become exhausted.
